Remember: Turn in BOX
TOPS for Education

Principal's Message-Mr. Hollembeak

SchoolReach

Recently we have been using SchoolReach - an award-winning notification platform - to better communicate with parents/guardians in regards to school closings, emergencies, early release days, absences and more! We now have the means to send timely messages to a large number of people quickly and efficiently by voice mail, text and email. If you have failed to receive these messages or need to update your contact information please call the office and talk to Mrs. Greer,

Box Tops for Education

I just wanted to thank you

for contributing to our Box Top program. This is an easy fundraiser for us without asking you to purchase anything other than products you already buy. Students collect the Box Tops and turn them into their classes. Currently we are having a class competition. We have used the Box Top money for playground equipment. This year we want to use the money to help purchase emergency supplies for each of our classrooms.

Over-ride Election

We at Coronado just want to thank you for your support in passing the school over-ride budget. This helps keep our current budget intact. Your support is greatly appreciat-

ed! AzMERIT Test

The Arizona State Board of Education approved a new test for 3-8 graders and high school students. It is called AzMERIT and it replaces the AIMS test. It will be given this spring. For more information go to <http://www.azed.gov/assessment/azmerit/>

Special points of interest:

- ☺ Parent Satisfaction surveys will be passed out this month. Please fill out and return it to the office.
- ☺ Students at Coronado will be conducting a food drive during the month of December. Please have your child bring non-perishable food items. Food will be donated within the community.

Coronado Music

One of the unique and special things about Coronado is our music program. Mrs. Herring has been our music teacher for 20 years. Not only do our students take music class they also perform outside of school. Each year Mrs. Herring takes the 2nd graders to the county fair and the 3rd graders will perform again at the Sen-

ior Center this month. Also in December the students, staff and community look forward to our annual Christmas music programs. The Christmas programs are scheduled for the following days and times.

Dec. 16 Kindergarten @ 9:00 am and 1st grade @ 10:00 am

Dec. 17 2nd grade @ 9:00 am
